

# Splunk Certification

## Exam Registration Tutorial

A step-by-step guide to getting registered for Splunk Certification exams.

**splunk>** turn data into doing®

# Step 1

## First-time Registrants

Connect your Splunk account to the Pearson VUE platform.

- ❑ If this is your **first** time taking a Splunk certification exam with Pearson VUE, please [click here](#) to fill out the form to connect your Splunk account to the Pearson VUE platform\* (you may be redirected to log into your Splunk.com account, if you are not currently logged in).
- ❑ If you have already completed this step and have **not** received your authorization to test emails, please contact [certification@splunk.com](mailto:certification@splunk.com) for assistance.
- ❑ If you've already created a **Splunk** account with [Pearson VUE](#), please skip directly to [Step 5](#).

# Step 2

Submit complete,  
accurate contact  
information to testing  
partner Pearson VUE.

Full name provided  
**must match**  
**candidate's photo ID**,  
which will be checked  
at the time of exam.

**Please note:** there is **not** a  
middle name field in the form.  
Candidates are suggested to  
keep the surname in the last  
name field and include any/all  
given names (first, middle,  
second middle) in the first name  
field.

Please select country  
of residence from  
pull-down menu.

Incomplete or  
inaccurate information  
will result in **delayed**  
registration.

**Do not include country phone code.**

# Step 3

## Wait for Authorization to Test email(s).

This process may take up to two business days. If you still have not received your emails, which come from [PearsonVUEconfirmation@pearson.com](mailto:PearsonVUEconfirmation@pearson.com), please contact [certification@splunk.com](mailto:certification@splunk.com) for assistance.

You may receive multiple Authorization to Test emails, but can use the links in any of the emails to access your Pearson VUE account.

### Authorization to Test

You have been authorized to take an exam with Pearson VUE. Information, including exam rules and scheduling instructions, are shown below. If the details of your authorization do not seem correct, please contact [certification@splunk.com](mailto:certification@splunk.com) immediately.

**Authorized Candidate:** Alicia Messer

**Splunk ID:** PV-00641571

**Client Authorization ID:** EAD-00000541

**Exam:** SPLK-1001 - Splunk Core Certified User

**Number of Attempts Authorized:** 6

**Authorized Dates:** 01 October 2018 - 31 December 2099

### INSTRUCTIONS FOR SCHEDULING YOUR EXAM

To schedule an appointment to take an exam at .conf, please go to <https://home.pearsonvue.com/splunk/conf>

To schedule your appointment on the website, please go to [www.PearsonVue.com/splunk](http://www.PearsonVue.com/splunk). This website provides additional information about exams, programs, and test center locations.

# Step 4

## Create an account with Pearson VUE.

If you have any issues with account creation, please contact [certification@splunk.com](mailto:certification@splunk.com).

If you receive a notification that you already have an existing Pearson VUE account and need login assistance, please contact [Pearson VUE Support](#).

Home > Test taker home > Splunk

### Splunk Certifications

Splunk Certifications are an IT industry standard designed to validate knowledge of and demonstrate proficiency with Splunk's universal machine data platform. Certifications range from entry-level to expert and were created to help candidates succeed and thrive in a competitive marketplace. Becoming Splunk certified opens new doors in career growth and professional development. For more details on our programs please visit [www.splunk.com/education](http://www.splunk.com/education).
